The report in circulation about town to the effect that the transfer boats were to resume their trips to Hickman was found to be without foundation. No arrangements have yet been made for the continuous running of these boats between Belmont and Columbus, but it is believed that contracts will soon be made to that effect. In the most reliable circles it is the opinion that the transfer business has gone for good.

Owing to the inclemency of the weather last Sunday the open air concert contemplated by the Hickman Brass Band was postponed until Easter Sunday. The "boys" are doing some hard studying and practicing and are becoming very proficient musicians. They have made few calls upon the pocket books of our citizens during their existence as a band and are worthy of liberal donations during the Easter concert. The proceeds will go towards buying uniforms for the members who have recently been added.

Rid of Bootleggers.

Deputy United States Marshal Hubbard arrived in town Monday night and Tuesday morning took Frank Lambert, alias Whitey, to Paducah, to answer to charges of selling liquor without government license, in the Federal court. His trial occurs today.

The departure of Lambert clears the county jail of bootleggers, he being the last of five who were serving sentences there. At one time last fall the bootlegging business was a flourishing one in this vicinity, but Sheriff Carpenter and Deputies Seat and Barry began a war of extermination, the result of which has been most gratifying to the law abiding citizens. At one time eight illicit whisky dealers were being boarded by the county at Uncle Joe's hotel, but we are pleased to say that all have departed for other regions. Most of them went to answer similar charges in adjoining counties, while the two Holliers and Lambert must make their peace with the Federal court. Lindo Murphy is serving out fines of \$600 in the Clinton jail, Perry and Hamlet are believed to be out of the business, and the others have gone no one knows where. It is not believed that there is now a single bootlegger in these parts. If there is one, he is keeping mighty quiet, which is well for him; otherwise he will go to join the rest.

The Common Order of Worship.

The following order of worship, unanimously adopted by the joint commissions of the Methodist Episcopal church and of the Methodist Episcopal church, south, at their meeting in Nashville, Tenn., February 24, 1904.

ORDER OF WORSHIP.

Let all our services begin exactly at the time appointed; and let all our people kneel in silent prayer on entering the sanctuary.

I. Voluntary, instrumental or vocal.

II. Singing from the common hymnal, the people standing.

III. The apostle's creed, recited by all, still standing.

I believe in God the Father Almighty, Maker of heaven and earth; and in Jesus Christ his only Son our Lord; who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried; the third day he arose again from the dead, he ascended into heaven, and sitteth at the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead.

I believe in the Holy Ghost; the holy catholic church; the communion of saints; the forgiveness of sins; the resurrection of the body; and the life ever lasting. Amen.

IV. Prayer, concluding with the Lord's Prayer, repeated audibly by all, both minister and people kneeling.

V. Anthem, or voluntary.

VI. Lesson from the Old Testament, whensoever.

VII. The gloria patri.

Glory be to the Father, and to the Son, and to the Holy Ghost; as it was in the beginning, is now, and ever shall be, world without end. Amen.

VIII. Lesson from the New Testament.

IX. Notices, followed by collection; during or after which an offertory may be rendered.

X. Singing from the common hymnal, the people standing.

XI. The sermon.

XII. Prayer, the people kneeling.

XIII. Singing from the Common Hymnal, the people standing.

XIV. Doxology and the Apostolic Benediction. (2 Cor. xiii. 14)

*Those numbers in brackets left optional.

This order of worship will be observed at the Methodist church next Sunday at 11 a. m. All members are specially requested to be present and if possible let each one bring a printed order of worship with him. The pastor will preach on Acts 1: 8.

NON RESIDENT LAW AMENDED.

The bill introduced by Luby Hargrove making the non-resident hunting fee 50 cents instead of \$25 as heretofore, was signed by Governor Beckham on Monday, and is now a law. At the time it passed the lower house the Courier explained its purport. As a law it will prove of considerable benefit to Hickman and to the people of all parts of this county in particular who have a desire or occasion to hunt at Reelfoot Lake. The Tennessee game law provides that its officers shall exact from non-residents the same fee as is exacted by their respective states, of non-residents. That is, if Kentucky charged non-resident hunters a fee of \$25 for the privilege of hunting within her borders, Tennessee would charge Kentuckians \$25 for the privilege of hunting within her borders. Nimrods from states that charge no non-resident hunting fee are allowed to hunt at will without cost in Tennessee. The reduction of our fee, therefore, from \$25 to 50 cents means that hereafter Tennessee can charge Kentuckians but 50 cents. Reelfoot Lake will no doubt derive a great benefit from the large influx of hunters from Kentucky during the proper seasons, who have heretofore been denied the privilege on account of the exorbitant fee.

A jail delivery was narrowly averted at Mayfield Tuesday. Several negroes made a dash for liberty, but Deputy Jailor Jones pulled his gun and shot Boyd Lovelace through the thigh. Another negro named Keyes was slightly wounded by another shot.
